MESSAGE FROM THE DEPUTY

Education Week 2009 will be celebrated across NSW from Monday, 25th May through to Friday, 29th May. Samuel Gilbert Public School will celebrate Education Week on Friday, 29th May with a concert, a book fair and open classrooms. More information is contained in this newsletter and invitations will be coming home at the end of the week. Please take the time to join with your child and celebrate their achievements.

Lost Property - The Duplicating Room is overflowing with jackets, hats and other items of school uniform that students have misplaced over the past weeks. If your child has misplaced or lost an item of clothing please encourage them to visit the lost property boxes and see whether any of the items belong to them.

Unfortunately many items do not have names so unless they are claimed by the end of Term 1 these items will be given to the Uniform Shop for resale. With the very changeable weather we are experiencing at the moment it is timely to remind all families to ensure that they have their names on all articles of uniform.

Northern Sydney Enrichment Day - On Thursday, 7th May a number of very talented Year 3 & Year 4 students participated in enrichment activities across the Region. The workshops offered to the students included Technology, Track & Field, Art, Mathematics, Science, Philosophy, Dance, Cartooning and Biodiversity. From all reports the day was extremely enjoyable and provided a wonderful opportunity for the students to explore their particular interests and talents.

Staff Carpark - May I please remind and encourage all parents to use the Kiss & Drop area provided at the front of the school. As you may be aware there are many trade vehicles entering and exiting from the school car park throughout the day which poses a safety concern for students if they walking from the car park.

MindQuest 2009 - Brochures for the MindQuest program 2009 can be collected from my office, information about the MindQuest program is contained in the newsletter.

EDUCATION WEEK OPEN DAY 2009

The Principal, staff and students of Samuel Gilbert Public School are delighted to invite all parents to Education Week Open Day - Friday, 29th May, 2009.

This is a wonderful opportunity to celebrate your child's achievements and for students to showcase their work.

Open Day Concert commences in the lower courtyard at 8.50am. Classrooms will be open between 9.30-11.00am. Tea and coffee will be available from the Canteen (gold coin donation).

Parents can order lunches through the Canteen - orders need to be placed by 9.00am.

Invitations and further information will be coming home in the next few days.

P&C PRESIDENT'S REPORT

Trivia Night is now only a week away, on Saturday night 30th May, so if you haven't yet organised a table, contact Tracy Imber on 0418 477 571 or tracy311@bigpond.net.au. I am sure she will be able to squeeze another table or two in; it will be a fun night with some great prizes on offer.

As part of bringing the Uniform Shop into the 21st Century, we need to set up a laptop computer with a point of sale system which ties into stock, and customer records. If you are able to help with the supply, or installation, of either of these, please contact Leisa Whiteside in the Uniform Shop, or on 0417 696 673.

Don't forget we are still looking for a printer or a company to sponsor the cost of printing the advertising flyers for this year's Fete. Last year's donor has unfortunately left the school, so we are

looking to fill the void. Possibly you may own a business and wish to help or you may work for a business who may like to support our school. In return we will provide recognition on the flyer with a circulation of 7500 homes in the Hills District. If you can help in any way please contact me, either through the School, or drop me a line at donna@unwired.com.au.

Looking forward to seeing lots of you at the Trivia Night.

FROM THE UNIFORM SHOP

Thank you to everyone for your patience whilst in the Uniform Shop at the moment. We are still exceptionally busy so your understanding is much appreciated. Remember that you can download the current order form from the schools website and drop it in at the front office if you need anything. Order Forms are also available through the Uniform Shop or from the lovely ladies at the Front Office.

We are still out of stock of a few items and we apologise for any inconvenience. Orders are currently with the suppliers and we should have stock by the end of next week.

We are hoping to have the Jumpers delivered to children by the end of next week. The reason for the hold-up was a supplier issue and we apologise for the delay.

For those who ordered the Tracksuits, we hope you are happy with your purchase. The kids must like them as we have had additional requests for them, however we only have very limited stock. We can't stock this item in the shop so once we have sold the remaining stock on hand, no more tracksuits will be available for purchase until we do another Pre-order Form in Term 1 of 2010.

Thanks to everyone who donated old style uniforms to our Bushfire Appeal. We are hoping to have the stock sent to Victoria by the end of next week.

MOTHER'S DAY STALL

Thank you so much to everyone for their continued support of the Mother's Day Stall. We managed to raise approximately \$2,300 this year which was an amazing effort. Thank you to those who helped make, set up and sell on the stall and to all the families who sent money with their children.

CANTEEN NEWS

Please make sure that you are using your new Winter Menu. A few prices have changed so please check.

We are also now stocking a "Gluten Free" bread so please make sure that you write this very clearly on your lunch order if you would like this option.

Next week is Education Week and morning tea will be available from the Canteen during the Open Day on Friday. Parent lunch orders will be available from the Canteen on the day. Please ensure any orders have been lodged at the Canteen by **9.00am** on Friday morning.

Our next Canteen Committee meeting will be held on Friday, 29th May in the Canteen from 1.00pm for 1.30pm in the Staffroom.

JUNK FOOD ADS

Fed up with junk food ads targetting your kids? Children see around 10 food ads on television every day, and almost two-thirds of these are for unhealthy foods. This means children see around 18 hours of junk food ads per year - the equivalent of three full school days! When one in four Australian children are obese or overweight, why do we continue to allow advertising of unhealthy food to children? Add your voice to our campaign - go to www.burgercorp.com.au and tell Minister Roxon that you, like 9 out of 10 parents, support a ban on advertising of unhealthy foods when children are watching television.

BAND REPORT

As anticipated the annual Band Camp was a great success. The parents enjoyed a fantastic concert on Thursday night highlighting the music the students had been working on during the camp workshops.

Many thanks to our teachers, Cathie Barclay, Janet Davis, Lyn Elliott and Eileen Tudor and our camp coordinator, Lyn Lambert.

Notes will be coming out next week for an upcoming eisteddfod for the Concert Band. Please return them promptly.

Congratulations to the students who have already passed AMEB exams and good luck to those who will be completing them over the next few weeks. I will list all your successes in the next newsletter - please let me know of your result including your name, instrument and grade via the band box.

The next Band meeting will be Thursday, 21st May at 7.30pm.
